## A LITTLE HUMOR

### New Hearing Aid

Seems an elderly gentleman had serious hearing problems for a number of years.

He went to the doctor and the doctor was able to have him fitted for a set of hearing aids that allowed the gentleman to hear 100%.

The elderly gentleman went back in a month to the doctor and the doctor said, "Your hearing is perfect. Your family must be really pleased that you can hear again."

To which the gentleman said, "Oh, I haven't told my family yet. I just sit around and listen to the conversations. I've changed my will three times!

### Family Reunion

An elderly man in Phoenix calls his son Bob in New York and says, "I hate to ruin your day, but your mother and I are divorcing. Forty-five years of misery is enough! I'm sick of her, and I'm sick of talking about this, so call your sister in Boston and tell her," and then hangs up.

The son frantically calls his sister, who goes nuts upon hearing the news.

She calls her father and yells, "You are not getting a divorce! Bob and I will be there tomorrow. Until then, don't do a single thing, do you hear me?"

The father hangs up the phone, turns to his wife, and says, "It worked! The kids are coming for a visit, and they're paying their own way!"
