WORDS OF WISDOM

"Happiness always looks small while you hold it in your hands, but let it go, and you learn at once how big and precious it is."
Maxim Gorky

"The word '**appreciation**' means to be thankful and express admiration, approval, or gratitude. It also means to grow or appreciate in value. As you appreciate life, you become more valuable both to yourself and others."
Sara Paddison

A LITTLE HUMOR

Birthday Gift

I asked my wife what she'd like for her 80th birthday. "I'd love to be six again," she said. So on the morning of her birthday, I got her up bright and early and off we went to a local theme park. What a day! I put her on every ride in the park: the Death Slide, the Screaming Loop, and the Wall of Fear, everything there was! Wow! Five hours later she staggered out of the theme park, her head reeling and her stomach upside down. I took her to McDonald's and ordered her a Happy Meal along with extra fries and a refreshing chocolate shake. Then, it was off to a movie - the latest Disney and what a fabulous adventure! Finally, she wobbled home and collapsed into bed. I leaned over and lovingly asked, "Well, honey, what it was like being six again?" One eye opened. "I meant my dress size you old idiot." I'm in the dog house again.
